137 *Tupe Ujasiri*

(Matendo 4:29)

1. Tuhubiripo Ufalme,
   Na jina kutangaza,
   Ni wengi wanatupinga
   Na kutuaibisha.
   Hatuogopi watu,
   Ni wewe tunayetii.
   Twasali tupe roho yako;
   Yehova, tusikilize.

(*KORASI*)

Tupe ujasiri Baba;
Ili tushinde woga.
Tupe uhodari Baba
Tuweze kuhubiri.
Har-magedoni karibu,
Lakini kabla ifike,
Tupe ujasiri Baba.
Twakuomba.

2. Kumbuka sisi mavumbi,
   Basi twaogopeshwa.
   Tunaamini ahadi
   Utatusaidia.
   Angalia vitisho
   Vya wanaotunyanyasa.
   Tupe sote uvumilivu
   Tuseme kwa ujasiri.

(*Korasi*)
