

Otuhe Obumanzi

(Ebyakozirwe 4:29)

1. Twagamba aha Bukama,
N’aha iziina ryawe,
Bamwe omu kubuurira
Nibatuhiiganisa.
Omu mwanya gw’abantu,
Niiwe turikworobera.
Nitushaba omwoyo gwawe;
Yehova otuhurire.

(Chorus)

*Tubaasise kusingura;
Twaba nitubuurira.
Tuhwere kuba emanzi
Ensi yoona emanye.
Ekiro kyawe nikiija,
Kwonka kitakahikire,
Otuhe obweziriki.
Twakushaba.*

2. N’obu tugira obwoba,
Otwetegyereza gye.
Kandi oturaganisa
Ngu nooza kutuhwera.
Abatuhiiganisa
Boona obatucungure.
Otuhwere kugumizamu
Kugamba iziina ryawe.

(Chorus)
