

# Help to Answer Questions

How do you feel when someone asks you about your religious beliefs? It's normal to be nervous. Read Jeremiah's words and Jehovah's encouragement at Jeremiah 1:6-8. Jehovah helped Jeremiah, and He will help you to be able to talk to others about your beliefs!

You will also feel more confident if you prepare. As a family, browse through "Frequently Asked Questions About Jehovah's Witnesses," featured on [jw.org](http://jw.org). (Look under ABOUT US > FREQUENTLY ASKED QUESTIONS.) Choose the question that you are most likely to be asked. Read the answer. Discuss how each of you could answer the question in your own words. Then rehearse your replies by taking turns asking and answering the question. Fill in the speech bubble above the head of one child with the question you might be asked. In the other bubble, write down how you would respond.

- **NOW TRY THIS:** Learn more about the prophet Jeremiah. Download the Bible Character Card about Jeremiah from [jw.org](http://jw.org). (Look under BIBLE TEACHINGS > CHILDREN > BIBLE CHARACTER CARDS.) Try to answer the questions posed on the card, and then check your answers by reading the card.
