

# Can You Prepare a Comment?

Caleb drew pictures for his notes when he prepared the lesson “Serve God Loyally Despite ‘Many Tribulations’” in the September 15, 2014, issue of the simplified edition of *The Watchtower*. These are his notes and his comment for question 2b.

## Caleb's Notes & Comment

“When we obey Jehovah, Satan is mad.  
He attacks like a lion, but we still obey.”

Children, practice preparing a comment. With your parents' help, choose a paragraph. Can you draw a picture to help you remember what you will say?
