

Israel Enters Canaan

Do you remember the characters who appear in Joshua chapters 2 to 7? See if you can match the characters to the objects described in the clues.

STEP 1.

Cut out each of the cards, and lay them in rows, facedown.

STEP 2.

Turn over any two cards. If you have a character card that matches an object card, keep the two cards. If they don't match, turn them back over and try again.

STEP 3.

The game is over when all the cards have been matched.
