

# The Qualities of a Good Friend

## What qualities matter most to you in a friend?

Choose the coins for the three qualities that are most important to you. Cut out and color the coins. Then color the frame on page 2. Attach the coins to the frame. Show your finished picture to others! Tell your family why those qualities are important to you, and think of ways you could display these qualities at home and with your friends.

**READ PROVERBS 17:17.** Using the worksheet on page 3, work on one quality per week and write down what you will do to display that quality.

# MY FRAME OF FRIENDSHIP

A large rectangular frame with a thick black border. Inside the frame, there are three dashed circles arranged in a triangular pattern, intended for a drawing.
