

Respect Older Ones

Leviticus 19:32

The musical score is written in treble clef with a key signature of three sharps (F#, C#, G#) and a 4/4 time signature. The lyrics are: "I like to listen to older ones And learn from friends like you. I really love when you talk about everything that you've been through: All the places you have seen And who you helped along the way And how you served so faithfully Back in your younger days. When you were young you gave your best And looked for ways of doing good, And I can see that now you're glad You did what you could. I like to listen to older ones And show them honor too. I hope someday when I grow up, maybe I can be like you."
